ARMOR OFFENSIVE

This card only applies to the Assault card. Roll one extra die when making attack rolls with armor during assaults for this turn.

The effect of this card is cumulative with the Offensive Tactic card.

TACTIC

ARTILLERY BARRAGE

Roll one extra die when making the attack roll for all artillery cards with the Attack Building effect this turn.

This does not apply to Assault cards.

CAMOUFLAGE

Add one to the Defense value for infantry for this turn.

EASTERN FLANK

When rolling to determine Wehrmacht counter placement for this turn, roll three dice and use the highest result.

TACTIC

INFANTRY OFFENSIVE

This card only applies to the Assault card. Roll one extra die when making suppress rolls with infantry during assaults for this turn.

The effect of this card is cumulative with the Offensive Tactic card.

MARKSMAN

If a Soviet counter is removed from the game because of a Sniper attack this round, roll to target a different combat position in the same colored area and attack a second Soviet counter. This card can only be used once in a turn.

OFFENSIVE

This card only applies to the Assault card. Roll one extra die when making attack rolls with armor and suppress rolls with infantry during assaults for this turn.

TACTIC

RECON

When you place a Scout this round, immediately place a second Scout (roll for its placement location separately). This card has no effect if the initial Scout is suppressed. This card can only be used once in a turn.

TACTIC

STUKA STRIKE

Increase the number of Junkers Ju 87s on each card this turn by 1.

TACTIC

WESTERN FLANK

When rolling to determine Wehrmacht counter placement for this turn, roll three dice and use the lowest result.

Ignore the effect of this card if the Eastern Flank card is also in play during an Elite difficulty game.
